### Temporary Closure of Lakeshore Trail Section to Install Bridge

BAYFIELD, WI – Apostle Islands National Lakeshore announced today that they plan to temporarily close a portion of the mainland's Lakeshore Trail in order to install a 42 foot bridge across a creek crossing located ¼ mile from Meyers Beach parking lot. The work on the bridge will begin on approximately October 12<sup>th</sup> and last for three days. This schedule is weather dependent. Please call park headquarters 715-779-3398 for updated information. Superintendent Bob Krumenaker said, *"We are very pleased to use fee dollars generated within the park to place this very important bridge across the first creek/ravine on the Lakeshore Trail. For your safety, please note that the trail is closed at this ravine and that there is no safe crossing point to continue on the trail."*
